Can you offer safe temporary accommodation to a young person?

We are Seeking Family Carers in Lismore, Grafton and Tweed Heads

Connecting You supports young people aged 12-15 who are at risk of homelessness. This includes providing accommodation in a safe, home environment while we support them to develop positive strategies and life direction.

We have opportunities for **Family Carers** who:

- live in or near Lismore, Grafton or Tweed Heads
- have a spare room in their home
- are interested in and respect young people
- are flexible, tolerant and understanding
- have time to spend with a young person one on one
- want to make a difference
- don't have young children at home; and
- own a comprehensively insured car.

Ideally, you will have experience with young people (12-16 years) as a parent, a teacher or in a similar role. You may have recently retired or be working from home. Full training and support is offered for the right candidates. Aboriginal and Torres Strait Islander people are encouraged to apply.

Generous tax-free retainer is offered with additional payments for each night's accommodation provided. Placements are for a maximum of 28 days at a time.
